of herself and all others similarly situated,

Plaintiff,

Burlington Resources Oil & Gas  
Company LP,

Case No. 20-CV-431-GKF-SH

**CLASS REPRESENTATIVE’S MOTION FOR FINAL APPROVAL  
OF CLASS ACTION SETTLEMENT & BRIEF IN SUPPORT**

---

Class Representative Sally E. Rice, as trustee for the Winston Lawrence Rice Trust (“Class Representative”), moves the Court for final approval of the:

1. Proposed class action Settlement;
2. Notice of Settlement and Plan of Notice; and
3. Proposed Initial Plan of Allocation.

Class Representative’s proposed Judgment is attached as **Exhibit 1**, and Class Representative’s Proposed Initial Plan of Allocation Order is attached as **Exhibit 2**.<sup>1</sup> With no objections filed to date and with only *one* of the over 7,000 class members purporting to opt-out as of this filing, Class Representative submits that the Settlement is fair, reasonable, and adequate and should be finally approved. **Ex. 3**, Declaration of Sally E. Rice (“Class Rep. Decl.”).<sup>2</sup>

---

<sup>1</sup> The proposed judgment was attached as Exhibit 2 to the Settlement Agreement (“SA”), Doc. 66-1. Class Counsel will submit native versions of the proposed orders to the Court in advance of the Final Fairness Hearing.

<sup>2</sup> Capitalized terms not otherwise defined shall have the meaning ascribed to them in the SA.

## BACKGROUND

In the interest of brevity, Class Representative will not recite the entire background of this Litigation. Rather, Class Representative refers the Court to the Motion for Preliminary Approval (Doc. 66), the Joint Declaration of Class Counsel (“Joint Counsel Decl.”) (**Exhibit 4**), the pleadings on file, and any other matters of which the Court may take judicial notice, all of which are incorporated as if fully set out in this memorandum.

On May 8, 2023, the Court issued an order preliminarily approving the Settlement, approving the Plan of Notice, and ultimately setting a date of August 25, 2023, for the Final Fairness Hearing. Doc. 70 (“Preliminary Approval Order”). The Court also approved the Notices for mailing and publication. Doc. 70 at 5–6. The Court ordered that Notice be given to the Class Members in accordance with the Plan of Notice as outlined in the Settlement Agreement and found that the Notices being provided “are the best notice practicable under the circumstances, constitute due and sufficient notice to all persons and entities entitled to receive such notice, and fully satisfy the requirements of applicable laws, including due process and Federal Rule of Civil Procedure 23.” *Id.* at 5, ¶ 7. Since preliminary approval, Notice was mailed, by first-class mail, as ordered by the Court, to over 7,000 Class Members between May 26, 2023, and the present. **Ex. 5**, Declaration of Jennifer Keough Regarding Notice of Settlement (“Keough Decl.”) ¶¶ 6–8. Notice was also published on the settlement website on May 25, 2023, and, on May 26, 2023, in the *Williston Daily Herald* and *Bismarck Tribune*, as directed in the Preliminary Approval Order. *Id.* ¶¶ 9–10.

The facts regarding certification haven’t changed since the Court entered the Preliminary Approval Order—class certification remains proper. A general plan of allocation was described in the Notice, along with the other material terms of the SA. *See Ex. 5*, Keough Decl. at Exs. A–C; SA, Doc. 66-1. Consistent with the Notices and the Plan of Allocation, the preliminary allocation shows the proposed distributions to each member of the Settlement Class and an amount of distribution. The Initial Plan of Allocation—prepared by Class Rep-

representative's expert, Barbara Ley—assumes the Court approves the requests for reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, and the requests for Plaintiff's Attorneys' Fees and a Case Contribution Award. The SA contemplates that Class Representative will move the Court for a Distribution Order based upon a Final Plan of Allocation within sixty (60) days after the Effective Date, with the benefit of the Court's ruling on those requests. *See* Doc. 66-1 at 22, ¶ 6.7.

Following mailing of the Notices and publication, Class Members will have fifty-five (55) days to request exclusion or file an objection. Only one request for exclusion and zero objections have been received as of the time of this filing.<sup>3</sup> *See* **Ex. 5**, Keough Decl. ¶¶ 14–17. The small number of opt-outs from and no objections to the Settlement thus far support the conclusion that the Settlement and Plan of Allocation are fair, adequate, reasonable, and in the best interests of the Settlement Class such that final approval should be granted.

### **ARGUMENT & AUTHORITY**

The Court should grant final approval of the Settlement. The procedure for reviewing a proposed class action settlement is a well-established two-step process. First, the Court conducts a preliminary analysis to determine if the settlement should be preliminarily approved such that the class should be notified of the pendency of a proposed settlement. Manual for Complex Litigation § 21.632 (4th ed. 2004). Second, the class is notified and provided an opportunity to be heard at a fairness hearing before the settlement is finally approved. Alba Conte & Herbert B. Newberg, *Newberg on Class Actions* § 11.25, at 38 (4th ed. 2002). The Court already carried out this first step with the Preliminary Approval Order, and notice was effectuated pursuant to the terms of the SA and in the form and manner approved by the

<sup>3</sup> Because this Motion is due before the exclusion and objection deadline (July 20, 2023), Class Representative will submit a supplement detailing the requests for exclusion and objections, if any, received and indicate those that were properly and timely submitted.

Court. *See* **Ex. 5**, Keough Decl. ¶¶ 4–13. As to the final step, courts in the Tenth Circuit consider four factors when deciding whether to finally approve a class action settlement:

- a. Whether the proposed settlement was fairly and honestly negotiated;
- b. Whether serious questions of law and fact exist, placing the ultimate outcome of the litigation in doubt;
- c. Whether the value of an immediate recovery outweighs the mere possibility of future relief after protracted and expensive litigation; and
- d. Whether, in the parties' judgment, the settlement is fair and reasonable.

*See Rutter & Wilbanks Corp. v. Shell Oil Co.*, 314 F.3d 1180, 1188 (10th Cir. 2002); *Jones v. Nuclear Pharmacy, Inc.*, 741 F.2d 322, 324 (10th Cir. 1984); *see also* Fed. R. Civ. P. 23(e)(2). Each factor supports final approval of the Settlement here.

**1. The Court Properly Certified the Settlement Class for Settlement Purposes and Should Confirm this Finding by Finally Certifying the Settlement Class Under Rule 23**

Before addressing the four factors, the Court must find class certification remains appropriate for settlement purposes. The Court already certified the following Settlement Class:

All non-excluded persons or entities owning mineral interests in North Dakota wells who: (1) received untimely payments from Burlington for royalties in North Dakota wells during the Claim Period; and (2) whose payments did not include the 18% interest required by North Dakota law.

Excluded from the Class are: (1) Burlington, its affiliates, predecessors, and employees, officers, and directors; (2) agencies, departments, or instrumentalities of the United States of America or the State of North Dakota; and (3) any Indian tribe as defined at 30 U.S.C. § 1702(4) or Indian allottee as defined at 30 U.S.C. § 1702(2).

Doc. 70 at 2, ¶ 2. Class certification remains proper under Rule 23(a) and (b)(3) for settlement purposes for the reasons set forth in the Preliminary Approval Motion (*see* Doc. 66). And Defendant consents to certification of the Settlement Class for the purpose of settlement.

The prerequisites for class certification under Rule 23(a) and (b)(3) are satisfied. First, Rule 23(a)(1)'s numerosity requirement is satisfied because the Settlement Class consists of

over 7,000 owners, whose joinder would be impracticable. **Ex. 5**, Keough Decl. ¶ 4; *see also Trevizo v. Adams*, 455 F.3d 1155, 1161–62 (10th Cir. 2006). Second, Rule 23(a)(2)’s commonality requirement is met because “many questions of law and fact exist that could be answered uniformly for the Settlement Class using common evidence.” *Tyson Foods, Inc. v. Bouaphakeo*, 136 S. Ct. 1036, 1045 (2016); *see also Menocal v. GEO Grp., Inc.*, 882 F.3d 905, 914 (10th Cir. 2018) (“A finding of commonality requires only a single question of law or fact common to the entire class”) (internal citations omitted). Each of these common issues stems from a common body of law—the statutory law of the State of North Dakota. The real property interests at issue are property located in the State of North Dakota, and the payments at issue are governed by North Dakota substantive law. Thus, any choice of law analysis would result in the application of North Dakota law to the legal claims and, as such, there are no other states’ laws implicated by this action, nor any other choice of law issues that could affect the Court’s commonality analysis here. *See id.* Third, Rule 23(a)(3)’s typicality requirement is satisfied because Defendant treated all owners the same for purposes of proceeds payments, the same legal theories and fact issues underlie each Class Member’s claims, and all Class Members suffered the same type of injury arising out of the same facts that can be proven by the same, common evidence. *DG ex rel. Stricklin v. Devaughn*, 594 F.3d 1188, 1198–99 (10th Cir. 2010). Finally, Rule 23(a)(4)’s adequacy of representation requirement is satisfied because there are no conflicts—minor or otherwise—between Class Representative and the other Class Members. **Ex. 3**, Class Rep. Decl.; *see Tennille v. Western Union Co.*, 785 F.3d 422, 430 (10th Cir. 2015) (“Only a conflict that goes to the very subject matter of the litigation will defeat a party’s claim of representative status.”) (internal citation omitted). Class Representative and Class Counsel have prosecuted the Litigation vigorously and Class Counsel is qualified to represent the Settlement Class here. *See Ex. 4*, Joint Counsel Decl. ¶¶ 1–24.

Additionally, Rule 23(b)(3)’s predominance and superiority requirements are satisfied here. *Tyson Foods*, 136 S. Ct. at 1045; *Menocal*, 882 F.3d 905, 914–15 (“[T]he predominance prong asks whether the common, aggregation-enabling, issues in the case are more prevalent

or important than the non-common, aggregation-defeating, individual issues” (citations omitted)); *In re Urethane Antitrust Litig.*, 768 F.3d 1245, 1255 (10th Cir. 2014); *CGC Holding Co., LLC v. Broad & Cassel*, 773 F.3d 1076, 1087 (10th Cir. 2014). The predominance requirement is met because the substantive claims are all common (North Dakota law) as are the aggregation-enabling issues of fact (chiefly, Defendant’s common course of late payment without interest to Class Members). The common questions under the shared law predominate over and are more important than any potential individual issues that theoretically could arise in the Litigation. And the superiority requirement is satisfied because resolving the Litigation through the classwide Settlement is far superior to any other method for fairly and efficiently adjudicating these claims.

The Court properly certified the Settlement Class and, because Class Representative has established that each of the requirements for certification under Rule 23(a) and (b)(3) remain satisfied, this finding should be confirmed with the final certification of the Settlement Class under Rule 23.

## **2. The Court Should Grant Final Approval of the Settlement**

The Court should finally approve the Settlement as fair and reasonable. The Court has broad discretion in deciding whether to grant approval of a class action settlement. *Jones*, 741 F.2d at 324. “As a general policy matter, federal courts favor settlement, especially in complex and large-scale disputes, so as to encourage compromise and conserve judicial and private resources.” *In re Global Crossing Sec. & ERISA Litig.*, 225 F.R.D. 436, 455 (S.D.N.Y. 2004); *see also In re Warfarin Sodium Antitrust Litig.*, 391 F.3d 516, 535 (3d Cir. 2004) (“[T]here is an overriding public interest in settling class action litigation, and it should therefore be encouraged.”). As demonstrated below, each of the four factors identified by the Tenth Circuit weighs in favor of final approval.

### **A. The Settlement is the product of extensive arm’s-length negotiations between experienced counsel.**

The fact that the Settlement was fairly and honestly negotiated by qualified, experienced counsel supports final approval. *See Reed v. GM Corp.*, 703 F.2d 170, 175 (5th Cir. 1983) (“[T]he value of the assessment of able counsel negotiating at arm’s length cannot be gainsaid.”). The fairness of the negotiation process is to be examined with reference to the experience of counsel, the vigor with which the case was prosecuted, and any coercion or collusion that may have affected the negotiations.

Here, the Settlement is the product of extensive arm’s-length negotiations between the Parties’ experienced counsel, including a mediation presided over by Robert G. Gum. *See Ex. 4*, Joint Counsel Decl. ¶¶ 18–24. The use of a formal settlement process supports the conclusion that the Settlement was fairly and honestly negotiated. *See Ashley v. Reg’l Transp. Dist.*, No. 05-CV-01567-WYD-BNB, 2008 WL 384579, at \*6 (D. Colo. Feb. 11, 2008) (finding settlement fairly and honestly negotiated where the parties engaged in formal settlement mediation conference and negotiations over four months). And the assistance of an experienced mediator “in the settlement negotiations strongly supports a finding that they were conducted at arm’s-length and without collusion.” *In re Telik, Inc. Sec. Litig.*, 576 F. Supp. 2d 570, 576 (S.D.N.Y. 2008). Here the parties engaged an experienced mediator whose repeated involvement led to the Settlement.

Additionally, Class Counsel has unique experience with oil-and-gas royalty underpayment and late payment class actions. Class Counsel regularly represents plaintiffs in oil-and-gas class actions, as well as other complex commercial and consumer class action litigation, and have obtained settlements in numerous underpayment or late payment class actions in numerous state and federal courts.<sup>4</sup> Class Counsel are experienced and qualified counsel and

represented the Settlement Class honestly and fairly during settlement negotiations. *See Ex. 4*, Joint Counsel Decl. ¶¶ 1–24.

Class Counsel’s experience positioned them well to comprehensively examine the large amount of information and data produced in the Litigation, enabling the Parties to make informed decisions about the strengths and weaknesses of their respective cases. *See, e.g., id.; Childs v. Unified Life Ins. Co.*, No. 10-CV-23-PJC, 2011 WL 6016486, at \*12 (N.D. Okla. Dec. 2, 2011). Further, Class Representative was involved in the negotiations and believes the settlement process resulted in an excellent recovery for the Settlement Class. *See Ex. 3*, Class Rep. Decl. Class Representative expended time and resources prosecuting the Litigation, including communicating regularly with Class Counsel, providing documents and information, and participating in the negotiations that led to the Settlement. *Id.* The Parties and their lawyers were well prepared for the serious and intelligent negotiations that ultimately led to the Settlement.

These facts demonstrate the Settlement resulted from serious, informed, and non-colusive negotiations between skilled and dedicated attorneys. The first factor supports final approval.

**B. Serious questions of law and fact exist, placing the ultimate outcome in doubt.**

The existence of serious questions of law and fact place the ultimate outcome of this Litigation in doubt, and such doubt “tips the balance in favor of settlement because settlement

creates a certainty of some recovery and eliminates doubt, meaning the possibility of no recovery after long and expensive litigation.” *McNeely v. Nat’l Mobile Health Care, LLC*, No. 07-CV-933-M, 2008 WL 4816510, at \*13 (W.D. Okla. Oct. 27, 2008) (internal citations omitted).

There are numerous factual and legal issues about which the Parties disagree—issues that would ultimately be decided by a court or a jury. Despite Class Representative’s optimism regarding her chances at class certification and trial, the Parties vehemently disagree on numerous factual and legal issues, and Defendant denies any wrongdoing giving rise to liability for late payments. Settlement renders the resolution of these issues unnecessary and provides a guaranteed recovery in the face of uncertainty. Because this Litigation presents serious issues of law and fact that place the ultimate outcome in doubt, the second factor supports final approval of the Settlement.

**C. The value of immediate recovery outweighs the mere possibility of future relief after long and expensive litigation.**

The complexity, uncertainty, expense, and likely duration of further litigation and appeals also support approval of the proposed Settlement. The immediate value of the \$4 million Gross Settlement Fund outweighs the uncertainty, additional expense, and likely duration of further litigation. The Settlement Class is “better off receiving compensation now as opposed to being compensated, if at all, several years down the line, after the matter is certified, tried, and all appeals are exhausted.” *See McNeely*, 2008 WL 4816510, at \*13. The Settlement represents a meaningful recovery for the Settlement Class without the risk or additional expense of further litigation. These immediate benefits must be compared to the risk that the Settlement Class may recover nothing after class certification, summary judgment, trial, and likely appeals, possibly years into the future. *See In re Sprint Corp. ERISA Litig.*, 443 F. Supp. 2d 1249, 1261 (D. Kan. 2006).

While Class Counsel is confident in their ability to prove the claims asserted, they also recognize liability is far from certain and many potential obstacles to obtaining a final, favor-

able verdict exist. Even if Class Representative was able to establish liability at trial, Defendant would have vigorously argued the Settlement Class damages are far less than the Settlement and raised a number of defenses to further whittle down the damages. Through the Settlement, the Settlement Class is guaranteed a cash payment without the attendant risks of further litigation.

Class Counsel is intimately familiar with the risks of proceeding with the Litigation because they have extensive experience prosecuting oil-and-gas class actions. *See Ex. 4*, Joint Counsel Decl. ¶¶ 2–3. Class Counsel believes the value of the Settlement outweighs the risks of proceeding further with the Litigation. *Id.* ¶ 5. When the risks and uncertainties of continuing the Litigation are compared to the immediate benefits of the Settlement, it is clear the Settlement is fair, reasonable, and in the best interests of the Settlement Class. The third factor supports final approval of the Settlement.

**D. The Parties agree the Settlement is fair and reasonable.**

The fact that Class Representative and Defendant believe the Settlement is fair and reasonable supports final approval. Class Counsel and Class Representative only agreed to settle the Litigation after considering the substantial benefits the Settlement Class will receive, the risks and uncertainties of continued litigation, and the desirability of proceeding under the terms of the Settlement Agreement.

Class Counsel’s judgment as to the fairness of the Settlement also supports final approval. “Counsels’ judgment as to the fairness of the [settlement] agreement is entitled to considerable weight.” *Childs*, 2011 WL 6016486, at \*14 (citation omitted). Class Counsel believes the terms and conditions of the Settlement are fair, reasonable, and adequate to the Settlement Class, and the Settlement is in the Class Members’ best interests. *See Ex. 4*, Joint Counsel Decl. ¶ 28. This last factor fully supports the Court’s final approval of the Settlement. Indeed, all four factors considered by courts in the Tenth Circuit support final approval of the Settlement.

### 3. **The Notice Method Used was the Best Practicable Under the Circumstances and Should be Approved**

The Court should approve the Notice given to the Settlement Class. Rule 23(c)(2)(B) requires that notice of a settlement be “the best notice practicable under the circumstances, including individual notice to all members who can be identified through reasonable effort.” Fed. R. Civ. P. 23(c)(2)(B). Also, Rule 23(e)(1) instructs courts to “direct notice in a reasonable manner to all class members who would be bound by the proposal.” Fed. R. Civ. P. 23(e)(1). In terms of due process, a settlement notice need only be “reasonably calculated, under all the circumstances, to apprise interested parties of the pendency of the action and afford them an opportunity to present their objections.” *Fager v. CenturyLink Comm’ns, LLC*, 854 F.3d 1167, 1171 (10th Cir. 2016) (citing *Mullane v. Cent. Hanover Bank & Trust Co.*, 339 U.S. 306, 314 (1950)). “The Supreme Court has consistently endorsed notice by first-class mail,” holding “a fully descriptive notice . . . sent first-class mail to each class member, with an explanation of the right to ‘opt out,’ satisfies due process.” *Id.* at 1173. Here, the Notice campaign carried out by Class Counsel and the Settlement Administrator is substantially comparable to and perhaps exceeds the highly successful notice campaigns completed in other oil-and-gas class actions approved by district courts, including this Court.

In its Preliminary Approval Order, the Court preliminarily approved the form and manner of the Notice disseminated by the Settlement Administrator, finding the Notices “are the best notice practicable under the circumstances, constitute due and sufficient notice to all persons and entities entitled to receive such notice, and fully satisfy the requirements of applicable laws, including due process and Federal Rule of Civil Procedure 23.” Doc. 70 at 5, ¶ 7. The Court directed dissemination of the Notices in accordance with the Settlement Agreement and the Preliminary Approval Order. *Id.*

The Notice was mailed to over 7,000 Class Members and further diligence was conducted to ascertain proper mailing addresses. **Ex. 5**, Keough Decl. ¶¶ 4–8. In addition, the

Court-approved Notice was published on May 26, 2023, in two newspapers of local circulation in North Dakota, the *Williston Daily Herald* and *Bismarck Tribune*, as directed in the Preliminary Approval Order. *Id.* ¶ 9. The Notices materially informed Class Members about the Litigation, the Settlement, and the facts needed to make informed decisions about their rights. Also, the Notices, along with other documents germane to the Settlement, were posted on the website created for and dedicated to this Litigation, [www.rice-burlington.com](http://www.rice-burlington.com), beginning on May 25, 2023. *Id.* ¶¶ 10–11. This website is maintained by the Settlement Administrator, where additional information regarding the Settlement can be found. *Id.*

In sum, the form, manner, and content of the Notice campaign were the best practicable notice, and their contents were reasonably calculated to, and did, apprise Class Members of the pendency and nature of the Settlement and afford them an opportunity to opt out or object. Therefore, the Court should grant final approval of the Notice given to the Settlement Class here.

#### **4. The Initial Plan of Allocation Should Be Approved**

The Court should also approve the proposed Initial Plan of Allocation, which is attached as Exhibit 2 to the Ley Declaration (**Ex. 6**). Like the Settlement itself, a plan of allocation must also be approved as fair and reasonable. *See In re Sprint Corp. ERISA Litig.*, 443 F. Supp. 2d at 1262 (citing *In re Global Crossing Sec. & ERISA Litig.*, 225 F.R.D. at 462). Where, as here, a plan of allocation is formulated by competent and experienced class counsel, the plan need only have a reasonable, rational basis. *Id.* As a general rule, a plan of allocation that reimburses class members based on the type and extent of their injuries is reasonable. *Id.*

Class Counsel, together with Plaintiff's expert, have formulated the Initial Plan of Allocation by which Class Members will be reimbursed proportionately relative to the extent of their injuries. Importantly, this is not a claims-made settlement, nor is it a settlement where a Class Member must take further action to participate. Instead, every Class Member who does

not effectively opt out of the Settlement will receive a check for their allocation of the Net Settlement Amount, subject to a *de minimis* threshold of \$5.

Specifically, the Net Settlement Amount will be allocated to individual Class Members based on the amount of statutory interest owed on the original underlying payment that allegedly occurred outside the time periods required by North Dakota law, with due regard for the production date, the date the underlying payment was made, the amount of the underlying payment, and the time periods set forth under North Dakota law. Pursuant to the SA, the Initial Plan of Allocation further assumes a reduction for Plaintiff's Attorneys' Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, and a potential Case Contribution Award, which amounts will ultimately be determined by the Court at the Final Fairness Hearing.

Class Representative and Class Counsel, with the aid of the Settlement Administrator, will allocate the Net Settlement Amount proportionately among all Class Members. A Distribution Check for each Class Member's allocation of the Net Settlement Amount will then be mailed to each respective Class Member's last known mailing address, using the payment history data produced. Returned or stale-dated Distribution Checks shall be reissued as necessary to effectuate delivery to the appropriate Class Members using commercially reasonable methods.

Because the proposed Initial Plan of Allocation was formulated by competent and experienced Counsel and is based on the type and extent of each Class Member's particular loss, the Court should approve it as fair, reasonable, and adequate.

### CONCLUSION

Class Representative and Class Counsel respectfully request that the Court enter the proposed Judgment, attached as **Exhibit 1**.<sup>5</sup> The proposed Judgment grants: (1) final certification of the Settlement Class; (2) final approval of the Settlement as fair, reasonable, and

adequate, and in the best interests of the Settlement Class; and (3) final approval of the Notice to Class Members. Class Representative and Class Counsel also respectfully request that the Court enter the proposed Initial Plan of Allocation Order, attached as **Exhibit 2**, to govern the allocation and distribution of the Net Settlement Amount to Class Members.

**ORDER AND JUDGMENT GRANTING FINAL APPROVAL  
OF CLASS ACTION SETTLEMENT**

---

This is a class action lawsuit brought by Plaintiff, Sally E. Rice, as trustee for the Winston Lawrence Rice Trust, on behalf of herself and all others similarly situated (“Plaintiff”), against Burlington Resources Oil & Gas Company LP (“Defendant”) for the alleged late payment of oil-and-gas proceeds from North Dakota oil-and-gas wells. On April 25, 2023, the Parties executed a Stipulation and Agreement of Settlement (the “Settlement Agreement”) finalizing the terms of the Settlement. (Doc. 66-1).<sup>1</sup>

On May 8, 2023, the Court preliminarily approved the Settlement and issued an Order Granting Preliminary Approval of Class Action Settlement, Certifying the Class for Settlement Purposes, Approving Form and Manner of Notice, and Setting Date for Final Fairness Hearing (the “Preliminary Approval Order”) (Doc. 70). In the Preliminary Approval Order, the Court, *inter alia*:

- e. preliminarily approved the Settlement as fair, reasonable, and adequate and in the best interest of the Settlement Class;
- f. preliminarily approved the form and manner of the proposed Notices to be communicated to the Settlement Class, finding specifically that such Notices, among other information: (i) described the terms and effect of the Settlement; (ii) notified the Settlement Class that Plaintiff's Counsel will seek Plaintiff's Attorneys' Fees, reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, and a Case Contribution Award for Class Representative's services; (iii) notified the Settlement Class of the time and place of the Final Fairness Hearing; (iv) described the procedure

- k. set out the procedures and deadlines by which Class Members could properly request exclusion from the Settlement Class or object to the Settlement or any part thereof.

After the Court issued the Preliminary Approval Order, due and adequate notice by means of the Notices was given to the Settlement Class, notifying them of the Settlement and the upcoming Final Fairness Hearing. On August 25, 2023, in accordance with the Preliminary Approval Order and the Notice, the Court conducted a Final Fairness Hearing to, *inter alia*:

- a. determine whether the Settlement should be approved by the Court as fair, reasonable, and adequate and in the best interests of the Settlement Class;
- b. determine whether the notice method utilized by the Settlement Administrator: (i) constituted the best practicable notice under the circumstances; (ii) constituted notice reasonably calculated under the circumstances to apprise Class Members of the pendency of the Litigation, the Settlement, their right to exclude themselves from the Settlement, their right to object to the Settlement or any part thereof, and their right to appear at the Final Fairness Hearing; (iii) was reasonable and constituted due,

adequate, and sufficient notice to all persons and entities entitled to such notice; and (iv) meets all applicable requirements of the Federal Rules of Civil Procedure and any other applicable law;

c. determine whether to approve the Allocation Methodology, the Plan of Allocation, and distribution of the Net Settlement Fund to Class Members who did not timely submit a valid Request for Exclusion or were not otherwise excluded from the Settlement Class by order of the Court;<sup>2</sup>

d. determine whether a Judgment should be entered pursuant to the Settlement Agreement, *inter alia*, ending the Litigation and dismissing the Released Claims against Defendant with prejudice and extinguishing, releasing, and barring all Released Claims against all Released Parties in accordance with the Settlement Agreement;

e. determine whether the applications for Plaintiff's Attorneys' Fees, reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, and a Case Contribution Award to Class Representative are fair and reasonable and should be approved;<sup>3</sup> and

f. rule on such other matters as the Court deems appropriate.

The Court, having reviewed the Settlement, the Settlement Agreement, and all related pleadings and filings, and having heard the evidence and argument presented at the Final Fairness Hearing, now **FINDS, ORDERS, and ADJUDGES as follows:**

1. The Court, for purposes of this Final Judgment (the "Judgment"), adopts all defined terms as set forth in the Settlement Agreement and incorporates them as if fully set forth herein.

2. The Court has jurisdiction over the subject matter of this Litigation and all matters relating to the Settlement, as well as personal jurisdiction over Defendant and Class Members.

---

<sup>2</sup> The Court will issue a separate order pertaining to the allocation and distribution of the Net Settlement Fund among Class Members (the "Initial Plan of Allocation Order").

<sup>3</sup> The Court will issue a separate order pertaining to Class Counsel's request for Plaintiff's Attorneys' Fees, Litigation Expenses, a Case Contribution Award, and Administration, Notice, and Distribution Costs.

3. The Settlement Class, which was certified in the Court’s Preliminary Approval Order, is defined as follows:

All non-excluded persons or entities owning mineral interests in North Dakota wells who: (1) received untimely payments from Burlington for royalties in North Dakota wells during the Claim Period; and (2) whose payments did not include the 18% interest required by North Dakota law.

Excluded from the Class are: (1) Burlington, its affiliates, predecessors, and employees, officers, and directors; (2) agencies, departments, or instrumentalities of the United States of America or the State of North Dakota; and (3) any Indian tribe as defined at 30 U.S.C. § 1702(4) or Indian allottee as defined at 30 U.S.C. § 1702(2).

The Court finds that the above-defined Settlement Class has been properly certified for the purposes of this Settlement. The Court finds that the persons and entities identified in the attached Exhibit 1 have submitted timely and valid Requests for Exclusion and are hereby excluded from the foregoing Settlement Class, will not participate in or be bound by the Settlement, or any part thereof, as set forth in the Settlement Agreement, and will not be bound by or subject to the releases provided for in this Judgment and the Settlement Agreement.

4. As used in this Judgment, the following terms shall have the meaning ascribed to them in the Settlement Agreement, which are incorporated herein by reference: “Released Claims,” “Released Parties,” “Releasing Parties,” and “Claim Period.”

5. At the Final Fairness Hearing on August 25, 2023, the Court fulfilled its duties to independently evaluate the fairness, reasonableness, and adequacy of, *inter alia*, the Settlement and the Notice of Settlement provided to the Settlement Class, considering not only the pleadings and arguments of Class Representative and Defendant and their respective Counsel, but also the concerns of any objectors and the interests of all absent Class Members. In so doing, the Court considered arguments that could reasonably be made against, *inter alia*, approving the Settlement and the Notice of Settlement, even if such argument was not actually presented to the Court by pleading or oral argument.

6. The Court further finds that due and proper notice, by means of the Notices, was given to the Settlement Class in conformity with the Settlement Agreement and Preliminary Approval Order. The form, content, and method of communicating the Notices disseminated to the Settlement Class and published pursuant to the Settlement Agreement and the Preliminary Approval Order: (a) constituted the best practicable notice under the circumstances; (b) constituted notice reasonably calculated, under the circumstances, to apprise Class Members of the pendency of the Litigation, the Settlement, their right to exclude themselves from the Settlement, their right to object to the Settlement or any part thereof, and their right to appear at the Final Fairness Hearing; (c) was reasonable and constituted due, adequate, and sufficient notice to all persons and entities entitled to such notice; and (d) met all applicable requirements of the Federal Rules of Civil Procedure, the Due Process Clause of the United States Constitution, and any other applicable law. Therefore, the Court approves the form, manner, and content of the Notices used by the Parties. The Court further finds that all Class Members have been afforded a reasonable opportunity to request exclusion from the Settlement Class or object to the Settlement.

7. Pursuant to and in accordance with Federal Rule of Civil Procedure 23, the Settlement, including, without limitation, the consideration paid by Defendant, the covenants not to sue, the releases, and the dismissal with prejudice of the Released Claims against the Released Parties as set forth in the Settlement Agreement, is finally approved as fair, reasonable, and adequate and in the best interests of the Settlement Class. The Settlement Agreement was entered into between the Parties at arm's-length and in good faith after substantial negotiations free of collusion, including with the aid of a mediator. The Settlement fairly reflects the complexity of the Claims, the duration of the Litigation, the extent of discovery, and the balance between the benefits the Settlement provides to the Settlement Class and the risk, cost, and uncertainty associated with further litigation and trial. Serious questions of law and fact remain contested between the parties. The Settlement provides a means of gaining immediate valuable and reasonable compensation and forecloses the prospect of uncertain results after many

more months or years of additional discovery and litigation. The considered judgment of the Parties, aided by experienced legal counsel, supports the Settlement.

8. By agreeing to settle the Litigation, Defendant does not admit, and instead specifically denies, that the Litigation could have otherwise been properly maintained as a contested class action, and specifically denies any and all wrongdoing and liability to the Settlement Class, Class Representative, and Plaintiff's Counsel.

9. The Court finds that on May 4, 2023 (*see* Doc. 67), Defendant caused notice of the Settlement to be served on the appropriate state official for each state in which a Class Member resides, and the appropriate federal official, as required by and in conformance with the form and content requirements of 28 U.S.C. § 1715. In connection therewith, the Court has determined that, under 28 U.S.C. 28 § 1715, the appropriate state official for each state in which a Class Member resides was and is the State Attorney General for each such state, and the appropriate federal official was and is the Attorney General of the United States. Further, the Court finds it was not feasible for Defendant to include on each such notice the names of each of the Class Members who reside in each state and the estimated proportionate share of each such Class Members to the entire Settlement as provided in 28 U.S.C. § 1715(b)(7)(A); therefore, each notice included a reasonable estimate of the number of Class Members residing in each state and the estimated proportionate share of the claims of such Class Members to the Settlement. No appropriate state or federal official has entered an appearance or filed an objection to the entry of final approval of the Settlement. Thus, the Court finds that all requirements of 28 U.S.C. § 1715 have been met and complied with and, as a consequence, no Class Member may refuse to comply with or choose not to be bound by the Settlement and this Court's Orders in furtherance thereof, including this Judgment, under the provisions of 28 U.S.C. § 1715.

10. The Released Claims are dismissed with prejudice as to the Released Parties and the Litigation is terminated, other than acts required to carry out this Judgment and administer the

Settlement. All Class Members who have not validly and timely submitted a Request for Exclusion to the Settlement Administrator as directed in the Notice and Preliminary Approval Order (a) are hereby deemed to have finally, fully, and forever conclusively released, relinquished, and discharged all of the Released Claims against the Released Parties and (b) are barred and permanently enjoined from, directly or indirectly, on any Class Member's behalf or through others, suing, instigating, instituting, or asserting against the Released Parties any claims or actions on or concerning the Released Claims. Neither Party will bear the other's Party's litigation costs, costs of court, or attorney's fees. The Court orders that Residual Unclaimed Funds will be distributed as *cy pres* at the time specified in the Settlement Agreement and with the recipient(s) to be later-determined by the Court upon motion of Class Representative.

11. The Court also approves the efforts and activities of the Settlement Administrator, JND Legal Administration, and the Escrow Agent in assisting with certain aspects of the administration of the Settlement, and directs them to continue to assist Class Representative in completing the administration and distribution of the Settlement in accordance with the Settlement Agreement, this Judgment, any Plan of Allocation approved by the Court, and the Court's other orders.

12. Nothing in this Judgment shall bar any action or claim by Class Representative or Defendant to enforce or effectuate the terms of the Settlement Agreement or this Judgment.

13. In accordance with the timeline provided in the Settlement Agreement, the Settlement Administrator or Escrow Agent is directed to refund to Defendant the amount attributable to Class Members under the Initial Plan of Allocation who timely and properly submitted a Request for Exclusion or who were otherwise excluded from the Settlement Class by order of the Court.

14. Neither this Settlement, the Settlement Agreement, any document referred to herein, nor any action taken to carry out the Settlement is, may be construed as, or may be used as, evidence of or an admission or concession by Defendant of any fault, wrongdoing, or liability whatsoever with respect

to the claims and allegations in the Litigation, or class certifiability. Entering into or carrying out the Settlement Agreement, and any negotiations or proceedings related thereto, and the Settlement Agreement itself, are not, and shall not be construed as, or deemed to be evidence of, an admission or concession by any of the Parties to the Settlement Agreement and shall not be offered or received in evidence in any action or proceeding by or against any party hereto in any court, administrative agency, or other tribunal for any purpose whatsoever other than to enforce the provisions of the Settlement between Defendant and any Class Member(s), the provisions of the Settlement Agreement, or the Judgment, or to seek an Order barring or precluding the assertion of Released Claims in any proceeding. Further, this Judgment shall not give rise to any collateral estoppel effect as to the certifiability of any class in any other proceeding.

15. As separately set forth in detail in the Court's Initial Plan of Allocation Order(s), the Allocation Methodology, the Plan of Allocation, and distribution of the Net Settlement Fund among Class Members who were not excluded from the Settlement Class by timely submitting a valid Request for Exclusion or other order of the Court are approved as fair, reasonable, and adequate, and Class Counsel and the Settlement Administrator are directed to administer the Settlement in accordance with the Plan of Allocation Order(s) entered by the Court.

16. The Court finds that Class Representative, Defendant, and their Counsel have complied with the requirements of the Federal Rules of Civil Procedure as to all proceedings and filings in this Litigation. The Court further finds that Class Representative and Plaintiff's Counsel adequately represented the Settlement Class in entering into and implementing the Settlement.

17. Neither Defendant nor Defendant's Counsel shall have any liability or responsibility to Plaintiff, Plaintiff's Counsel, or the Settlement Class with respect to the Gross Settlement Fund or its administration, including but not limiting to any distributions made by the Escrow Agent or Settlement Administrator. Except as described in paragraph 6.22 of the Settlement Agreement, no Class Member

shall have any claim against Plaintiff, Plaintiff's Counsel, the Settlement Administrator, the Escrow Agent, or any of their respective designees or agents based on the distributions made substantially in accordance with the Settlement Agreement, the Court's Plan of Allocation Order(s), or other orders of the Court.

18. Any Class Member who receives a Distribution Check that he/she/it is not legally entitled to receive is hereby ordered to either (a) pay the appropriate portion(s) of the Distribution Check to the person(s) legally entitled to receive such portion(s) or (b) return the Distribution Check uncashed to the Settlement Administrator.

19. All matters regarding the administration of the Escrow Account and the taxation of funds in the Escrow Account or distributed from the Escrow Account shall be handled in accordance with Section 5 of the Settlement Agreement.

20. Any order approving or modifying any Plan of Allocation Order, the application by Class Counsel for an award of Plaintiff's Attorneys' Fees or reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, or the request of Class Representative for a Case Contribution Award shall be handled in accordance with the Settlement Agreement and the documents referenced therein (to the extent the Settlement Agreement and documents referenced therein address such an order).

21. Plaintiff's Counsel, Plaintiff, and the Settlement Class will only be liable for loss of any portion of the Escrow Account as described in paragraph 6.22 of the Settlement Agreement. Defendant shall have no liability for any such loss.

22. In the event the Settlement is terminated as the result of a successful appeal of this Judgment or does not become Final and Non-Appealable in accordance with the terms of the Settlement Agreement for any reason whatsoever, then this Judgment and all orders previously entered in connection with the Settlement shall be rendered null and void and shall be vacated. The provisions of the

Settlement Agreement relating to termination of the Settlement Agreement shall be complied with, including the refund of amounts in the Escrow Account to Defendant and the refund by Plaintiff's Counsel into the Escrow Account of any amounts previously paid to them from the Escrow Account.

23. [reserved for addressing objections, if any]

24. Without affecting the finality of this Judgment in any way, the Court (along with any appellate court with power to review the Court's orders and rulings in the Litigation) reserves exclusive and continuing jurisdiction to enter any orders as necessary to administer the Settlement Agreement, including jurisdiction to determine any issues relating to the payment and distribution of the Net Settlement Fund, to issue additional orders pertaining to, *inter alia*, Class Counsel's request for Plaintiff's Attorneys' Fees and reimbursement of reasonable Litigation Expenses and Administration, Notice, and Distribution Costs and Class Representative's request for a Case Contribution Award, and to enforce this Judgment. Notwithstanding the Court's jurisdiction to issue additional orders in this Litigation, this Judgment fully disposes of all claims as to Defendant and is therefore a final appealable judgment. The Court further hereby expressly directs the Clerk of the Court to file this Judgment as a final order and final judgment in this Litigation.

IT IS SO ORDERED this \_\_\_\_ day of \_\_\_\_\_, 2023.

all others similarly situated,

Plaintiffs,

v.

BURLINGTON RESOURCES OIL & GAS  
COMPANY, LP,

Case No. 20-CV-431-GKF-SH

---

**INITIAL PLAN OF ALLOCATION ORDER**

---

This Initial Plan of Allocation Order sets forth the manner in which the Net Settlement Fund will be administered and distributed to Class Members. The Net Settlement Fund for distribution will be allocated to each Class Member based on the factors and considerations set forth in the Initial Plan of Allocation (Doc. 71-6) and the Settlement Agreement (Doc. 66-1).

**INITIAL PLAN OF ALLOCATION**

The Net Settlement Fund for distribution will be allocated among individual Class Members based upon the factors set forth in the Declaration of Barbara Ley (Doc. 71-6), which are consistent with the factors set forth in Settlement Agreement (Doc. 66-1) and approved by the Court. Pursuant to the Settlement Agreement, the Initial Plan of Allocation reduces the amount available for distribution for estimates of Plaintiff's Attorneys' Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, and a Case Contribution Award, which amounts were ultimately determined by the Court at the Final Fairness Hearing and which will be implemented in the Final Plan of Allocation.

**EXHIBIT 2**

The Court reserves the right to modify this Initial Plan of Allocation Order without further notice to any Class Members who have not entered an appearance. The allocation of the Net Settlement Fund among Class Members and the Allocation Methodology are matters separate and apart from the proposed Settlement between Class Members and Defendant, and any decision by the Court concerning allocation and distribution of the Net Settlement Fund among Class Members shall not affect the validity or finality of the Settlement or operate to terminate or cancel the Settlement or Judgment.

#### **TIME FOR ALLOCATION AND DISTRIBUTION**

The allocation and distribution of the Net Settlement Fund for distribution shall be under the direct supervision of the Court and shall be consistent with the Final Plan of Allocation submitted by Class Counsel and approved by the Court. Furthermore, the timing, manner, and process for any distributions shall be consistent with the timing and process provided for in the Settlement Agreement (Doc. 66-1), which is incorporated herein by reference.

UNITED STATES DISTRICT JUDGE

**IN THE UNITED STATES DISTRICT COURT FOR  
THE NORTHERN DISTRICT OF OKLAHOMA**

Sally E. Rice, as trustee for the  
Winston Lawrence Rice Trust, on behalf  
of herself and all others similarly situated,

Plaintiff,

v.

Burlington Resources Oil & Gas  
Company LP,

Defendant.

Case No. 20-CV-431-GKF-SH

---

**DECLARATION OF SALLY E. RICE  
IN SUPPORT OF FINAL APPROVAL MOTIONS**

---

I, Sally E. Rice, of lawful age, upon personal knowledge, and pursuant to 28 U.S.C. § 1746, declare as follows:

1. I have personal knowledge of the facts set out in this declaration based upon my involvement in the lawsuit and upon information provided to me by Class Counsel.

2. I respectfully submit this declaration in support of the forthcoming Motion for Final Approval of Class Action Settlement and Motion for Approval of Plaintiff's Attorneys' Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, and Case Contribution Award.

3. By submitting this declaration, I neither intend to, nor do I, waive any protections available to me or the Winston Lawrence Rice Trust (the "Trust"), including, the attorney-client privilege, work product privilege, or any other privileges that may apply.

4. The Trust owns an interest in oil and gas produced from the Haydon 44-22TFH-ULW well, which is located in Section 22-151N-97W in McKenzie County, North Dakota.

**EXHIBIT 3**

5. I engaged Class Counsel in 2020 to pursue claims for late payment of oil-and-gas proceeds from Burlington.

6. As part of that decision, I was advised of the commitment to fulfill the responsibilities of a named plaintiff and proposed class representative.

7. With what I learned in retaining Class Counsel, including the risks and uncertainty associated with the litigation, the potentially significant expenses Class Counsel might incur, and the high level of representation to be provided by Class Counsel, I agreed that Class Counsel would represent me and the Trust on a contingency fee basis of forty percent of any recovery obtained. At the time I reached this agreement, I understood a forty percent contingency fee was the market rate for similar actions. I and Class Counsel executed a written agreement that Class Counsel could seek a fee of forty percent of any gross recovery. I understood that Class Counsel would work on a fully contingent basis and that I and the Trust would not pay hourly rates under any circumstances. The Trust's claims were not economic to pay the fees and expenses necessary to litigate this matter to completion on a pay-as-you-go or non-contingent fee structure.

8. By pursuing the claims, I hoped to obtain a monetary recovery for the Trust and all other owners who were not paid interest on late payments of oil-and-gas proceeds by Burlington. Through this lawsuit, we have obtained a recovery of \$4 million for the Settlement Class.

9. I sought to understand Class Counsel's work upon engagement and participated in the decision to enter into the Settlement.

10. This action has been litigated for more than two years, which included motion practice, pursuing document productions, deposition discovery, reviewing documents, consulting with experts, reviewing and analyzing complex accounting information, creating damages mod-

eling, negotiating a settlement, reviewing settlement documents, and seeking the Court's approval of the Settlement.

11. Throughout the negotiation process, I was informed of material developments that occurred and provided approval to negotiate on behalf of the Trust and the Settlement Class. Class Counsel acted with my approval in all respects.

12. I believe the negotiation process resulted in an excellent settlement and a significant benefit to the Settlement Class, which provides a gross value of \$4 million. This amount, after reduction for court-approved Plaintiff's Attorneys' Fees, reimbursement of Litigation Expenses, payment of Administration Expenses, Notice and Distribution Costs, and a Case Contribution Award, if any, will be distributed to Class Members once the Settlement becomes Final and Non-Appealable, if approved. I believe this is a substantial recovery for the Settlement Class.

13. Through my involvement in this lawsuit, I understand the strengths and weaknesses of the claims against Burlington. I am aware of the hurdles the Settlement Class would be required to overcome to prove liability and damages if the lawsuit was to be tried rather than settled, including the fact that some oil-and-gas class actions fail to be certified.

14. My understanding of the facts and law as they pertain to this lawsuit enables me to recommend approval of the Settlement. The Settlement is a substantial recovery for the Settlement Class under circumstances where it was possible that no recovery at all would be obtained. I fully support this Settlement as fair, reasonable, and adequate for the Settlement Class.

15. I am very pleased with the efforts of Class Counsel who always conducted themselves with professionalism and diligence while effectively representing the interests of the Settlement Class and the Trust.

16. Class Counsel is collectively applying for an award of Plaintiff's Attorneys' Fees out of the \$4 million Gross Settlement Fund, as well as reimbursement of Litigation Expenses reasonably and necessarily incurred in successfully prosecuting the claims in this lawsuit. Because of Class Counsel's extensive, efficient, and excellent work, I approve of Class Counsel's application for a fee award equal to 40% of the Gross Settlement Fund. I approve of Class Counsel's request for reimbursement of their reasonable and necessarily incurred Litigation Expenses. I understand that if the award is granted, Plaintiff's Attorneys' Fees and reimbursed Litigation Expenses will be paid to Class Counsel out of the \$4 million Gross Settlement Fund.

17. Class Counsel's request for Plaintiff's Attorneys' Fees is consistent with our negotiated fee agreement. I am pleased with how Class Counsel conducted the Litigation and with the results achieved. Further, I support Class Counsel's request for reimbursement of Litigation Expenses because I believe Class Counsel has prosecuted this Litigation in an efficient manner given its complexities and has incurred reasonable and necessary expenses to do so.

18. While the Trust will recover only its pro rata share of the Net Settlement Fund, I intend to seek a Case Contribution Award for the Trust's representation of the Settlement Class. The court-approved Notice states that the Trust seeks a Case Contribution Award of \$80,000.00 to compensate for the service as named plaintiff and class representative. This amount is based on the amount of time dedicated to the Litigation, as well as the expense, risk, and burden of serving as class representative in the lawsuit, and a reasonable estimate of the time to be dedicated to the lawsuit through the final distribution of the Net Settlement Fund to Class Members. I believe that such an award is justified in this case.

19. Neither I nor the Trust were promised any recovery or made any guarantees prior to filing this lawsuit, nor at any time during the lawsuit.

20. Based on these efforts and the benefits obtained for the Settlement Class, I submit that a Case Contribution Award is fair and reasonable as compensation for the time and expense incurred to obtain the \$4 million settlement.

I declare under penalty of perjury that the foregoing is true and correct.

PetroQuest Energy, L.L.C., et al.*, No. 16-CV-516-KEW (E.D. Okla.); *Underwood v. NGL Energy Partners LP*, No. 21-CV-135-CVE-SH (N.D. Okla.). In addition to those prior recoveries, we are actively litigating over a dozen other class claims related to oil-and-gas royalty payments. More information about us may be found on the firm website, [www.bradwil.com](http://www.bradwil.com).

3. Mr. Smith is the founder of Brady Smith Law PLLC. His practice focuses primarily on oil and gas law, including litigation, lease cancelation, contract negotiation, and royalty-payment disputes. He currently serves as counsel for putative class representatives in

several putative class actions concerning royalty-payment claims. Mr. Smith obtained his undergraduate degree from the University of Central Oklahoma and his juris doctor from the Oklahoma City University School of Law.

4. The Court has appointed Reagan E. Bradford and Ryan K. Wilson as Co-Lead Class Counsel and Brady L. Smith as Additional Class Counsel. Doc. 70 at 3, ¶ 3(d).

5. As Class Counsel, the foregoing have achieved an exceptional result, obtaining a \$4 million cash settlement.

***Work Completed Before Filing Suit***

6. Before filing the Litigation, Class Counsel extensively investigated the payment practices of Defendant Burlington Resources Oil & Gas Company LP (“Burlington”).

7. We reviewed and analyzed the documents and information available to us, including correspondence, legal instruments, and publicly available information about Burlington and its business in North Dakota and Oklahoma.

8. We conducted significant research regarding North Dakota law, and we relied upon our experience in cases of this kind to formulate the claims.

9. Based on our review and analysis, and after discussing the same with Sally E. Rice, as Trustee for the Winston Lawrence Rice Trust (the “Class Representative”), we filed a Complaint to initiate this case, including claims on behalf of the Class Members.

***Work Done After Filing***

10. ***Litigation Efforts.*** Class Representative initiated this case on August 25, 2020, alleging that Burlington violated North Dakota statute, N.D.C.C. § 47-16-39.1, by failing to pay statutory interest owed on the payment of oil-and-gas proceeds made outside of the 150-day statutory timeline. Doc. 1. Burlington filed its answer on September 17, 2020. Doc. 10.

11. The parties conferred and filed a joint status report on October 14, 2020. Doc. 15. The Court then entered the original scheduling order on October 19, 2020. Doc. 16. The

parties moved for entry of a stipulated protective order on January 21, 2021, and the Court entered the stipulated protective order the following day. *See* Docs. 22–23.

12. On January 25, 2021, Burlington moved to transfer venue, seeking to have the case moved to the United States District Court for the District of North Dakota. Doc. 24.

13. In seeking this relief, Burlington relied on an affidavit from its Manager of Litigation Management & Royalty Compliance, and Burlington further identified several potential witnesses not located in Oklahoma who Burlington claimed would prove to be key witnesses. *See id.*; *see also* Doc. 24-1. Prior to filing a response brief, Class Counsel deposed the affiant, as well as three of the alleged key witnesses on February 10 and 11, 2021. *See* Docs. 28-1–28-2 and 28-3–28-4.

14. Class Representative filed her response brief in opposition to transfer on February 21, 2021, which outlined how the key issues in this case emanate from Burlington’s office in Bartlesville, Oklahoma. Doc. 28. Burlington filed its reply brief on March 8, 2021. Doc. 29. Approximately one week later, the Court issued an order denying Burlington’s motion to transfer venue, finding Burlington failed to carry its burden under 28 U.S.C. § 1404(a). Doc. 30.

15. Six days after the Court denied its motion to transfer venue, Burlington moved for judgment on the pleadings, arguing that Class Representative’s claim for statutory interest was time barred because a three-year limitations period applied to N.D.C.C. § 47-16-39.1. Doc. 31.

16. Class Representative filed her response brief in opposition on April 8, 2021, in which she argued that a six-year limitations period applied to her statutory-interest claim. Doc. 35. In so arguing, Class Representative surveyed a substantial amount of authority, including marshaling legislative history and identifying 242 instances in which the North Dakota legislature used the terms “interest” and “penalty” within the same statutory section. *See id.* Burlington filed its reply brief on April 26, 2021.

17. On January 21, 2022, the Court issued an opinion and order denying Burlington's motion for judgment on the pleadings. Doc. 48. The Court concluded "that the North Dakota Supreme Court would likely find the 18% interest amount in N.D.C.C. § 47-16-39.1 to be remedial than penal. The six-year statute of limitations contained in N.D.C.C. § 28-01-16(2) applies." *Id.* at 14; *also found at Rice v. Burlington Res. Oil & Gas Co. LP*, 582 F. Supp. 3d 871, 881 (N.D. Okla.).

18. **Resolution Efforts.** Prior to the Court's ruling on Burlington's motion for judgment on the pleadings, the parties had already discussed the steps needed to explore potential resolution of the case.

19. Over the following year, the parties engaged in an incredibly involved back-and-forth process to identify the amounts at issue in this case. This process included multiple data productions and several video-conference walkthroughs with counsel, consultants, and in-house employees.

20. All told, Burlington produced over forty-three thousand documents in this case to date. Co-Lead Class Counsel—who have served as Co-Lead Counsel in over fifteen class cases—represent that the pre-mediation efforts undertaken in this case were among the most extensive in their experience.

21. After devoting a substantial amount of time and resources to getting on the same page, the parties then engaged mediator, Robert G. Gum, who has mediated over one dozen oil-and-gas class actions.

22. The parties attended a day-long mediation with Mr. Gum on January 24, 2023. Although we didn't reach an agreement at mediation, we made substantial progress toward that end and ultimately reached an agreement in principle in February 2023. *See* Doc. 57. After that, the parties worked for weeks to finalize a formal settlement agreement, which was executed on April 25, 2023. Doc. 66-1 at 40.

23. The Settlement provides a \$4 million Gross Settlement Fund to resolve the Released Claims.

24. To the knowledge of Class Counsel, this Settlement is the first of its kind, representing the first class action settlement to recover statutory interest under N.D.C.C. § 47-16-39.1.

25. **Notice Campaign and Plan of Allocation.** Class Counsel then worked with the Settlement Administrator to carry out the Notice campaign, which is detailed in the Settlement Administrator's Declaration (Doc. 71-5), and to formulate the Initial Plan of Allocation (Doc. 71-6). These efforts required extensive communication and effort to effectuate the Notice campaign and to formulate the Initial Plan of Allocation in accordance with the Court's Preliminary Approval Order and the terms of the Settlement Agreement.

***The Overwhelming Positive Reaction to the Settlement***

26. Since the Notice campaign was effectuated, and at the time this declaration was executed, only one (1) request for exclusion has been received. *See* Doc. 71-5, Keough Decl. at 4, ¶ 15, Ex. D. And no objections have been received. *Id.* ¶ 17. Because this declaration is required to be filed before the final deadline for filing objections or requesting exclusion, Class Counsel will update the Court regarding any requests for exclusion or objections filed after the Court imposed deadlines.

27. The vast majority of Class Members have indicated approval of the terms of the Settlement Agreement by choosing to participate in the Settlement.

28. In Class Counsel's judgment, the Settlement is fair, reasonable, and adequate, as indicated by the overwhelming support of Class Members and in light of the risks and costs in proceeding further with the litigation.

29. The Settlement was also the result of an arm's length, heavily negotiated process, carried out by experienced counsel. This further supports the fairness and reasonableness of the Settlement.

***Plaintiff's Attorney's Fees***

30. Class Counsel is seeking a 40% contingency fee from the \$4 million Gross Settlement Fund, as is the customary fee in these sorts of cases.

31. Class Representative negotiated a fee agreement to prosecute this case on a fully contingent basis, with a fee arrangement of 40% of any recovery obtained for the putative class after the filing of the Litigation.

32. Numerous state and federal courts, including this Court, have recognized that a 40% contingent fee is standard in oil-and-gas class action litigation. *See, e.g., Underwood v. NGL Energy Partners LP*, No. 21-CV-135-CVE-SH (N.D. Okla. June 15, 2023), Doc. 73 at 8 (awarding 40% of up-front cash settlement value: “the fee award is in the range of the customary fee in oil and gas class actions”); *Hay Creek Royalties, LLC v. Roan Res. LLC*, No. 19-CV-177-CVE-JFJ (N.D. Okla. Apr. 28, 2021), Doc. 74 at 8 (“Class Counsel and Class Representative negotiated and agreed to prosecute this case based on a [40%] contingent fee and the fee award is in the range of the customary fee in oil and gas class actions in Oklahoma federal courts.”); *Pauper Petroleum, LLC v. Kaiser-Francis Oil Co.*, No. 19-CV-514-JFH-JFJ (N.D. Okla. Jan. 23, 2023), Doc. 75 at 9 (“[T]he Court finds a 40% fee is consistent with the market rate for high quality legal services in class actions like this.”); *Chieftain Royalty Co., et al. v. BP America Prod. Co.*, No. 18-CV-54-JFH-JFJ (N.D. Okla. Mar. 2, 2022), Doc. 180 at 16 (“I find a 40% fee is consistent with the market rate for high quality legal services in royalty class actions like this.”); *Chieftain Royalty Co. v. Newfield Exploration Mid-Continent Inc.*, No. 17-CV-336-KEW (E.D. Okla. Mar. 3, 2020), Doc. 71 at 14 (“I find this fee [40%] is consistent with the market rate and is in the range of the ‘customary fee’ in oil and gas class actions in Oklahoma state courts over the past fifteen (15) years.”).

33. Based upon our experience, knowledge, education, study, and professional qualifications, we believe that the 40% contingent fee agreed to with Class Representative is the market rate for this case and is fair and reasonable. *See* Decl. of Steven S. Gensler, *Hay Creek Royalties, LLC v. Roan Res. LLC*, No. 19-CV-177-CVE-JFJ (N.D. Okla. Apr. 7, 2021), Doc. 64-7 at 24–25 (“[T]he typical fee agreement in similar royalty class actions . . . is a contingency fee of 40% . . . The 40% fee request in this case is consistent with what many federal and state courts in Oklahoma have awarded in other oil-and-gas royalty class actions.”); Decl.

of [Former] Judge Michael Burrage, *Reirdon v. XTO Energy, Inc.*, No. 16-cv-00087-KEW (E.D. Okla. Dec. 27, 2017), Doc. No. 96-4, ¶ 4 (“I believe, and numerous state and federal courts in Oklahoma have determined that a 40% contingent fee is within the appropriate market range for cases of this nature.”).

34. Because a contingent fee is set in the marketplace and is definitive evidence of the reasonable and fair percentage fee at the time the risk is undertaken and largely unknown, courts often focus on the contingent fee class action agreement to set the fee for the class.

35. Courts consider the *Johnson* factors to determine whether the requested fee is reasonable. *See Johnson v. Georgia Highway Express, Inc.*, 488 F.2d 714 (5th Cir. 1974).

36. **The time and labor required:** In the Tenth Circuit, neither a lodestar nor a lodestar cross check is required. *See Underwood*, No. 21-CV-135-CVE-SH (N.D. Okla. June 15, 2023), Doc. 73 at 3 (“[I]n the Tenth Circuit, in a percentage of the fund recovery case such as this, where federal common law is used to determine the reasonableness of the attorneys’ fee under Rule 23(h), neither a lodestar nor a lodestar cross check is required.”). Nevertheless, our efforts and time invested is discussed at length *supra*. In sum, we believe the evidentiary record we developed in this matter and the lengthy and hard-fought litigation demonstrate the time and labor we invested in this matter. This factor supports the fee request.

37. **The novelty and difficulty of the questions presented by the litigation:** Oil-and-gas class actions are incredibly difficult and complex, which is proven by the sheer fact that very few law firms undertake them. *Id.* at 6 (“Class actions are known to be complex and vigorously contested. The legal and factual issues litigated in this case involved complex and highly technical issues.”). The continued difficulty of this area of the law, both in an oil-and-gas context and in a class action context, is also evident from the various positions taken by various judges, some denying class certification altogether. This factor supports the fee request.

38. **The skill required to perform the legal services properly:** Hopefully the skill required to perform the legal service was apparent to the Court. Class actions are inherently

difficult and generally hard fought, as is oil-and-gas litigation. Combined, the two areas of law require substantial skill and diligence. Very few firms even undertake such litigation. *Id.* at 7 (“I find the Declarations and other undisputed evidence submitted prove that this Litigation called for Class Counsel’s considerable skill and experience in oil and gas and complex class action litigation to bring it to such a successful conclusion, requiring investigation and mastery of complex facts, the ability to develop creative legal theories, and the skill to respond to a host of legal defenses.”).

39. **The preclusion of other employment by the attorney due to the acceptance of the case:** While not a critical factor, it is common knowledge that the longer a case goes on the more other legal business it precludes since a lawyer and a law firm only have a finite amount of time to offer. *Id.* at 7–8 (“The Declarations and other undisputed evidence prove that Class Counsel necessarily were hindered in their work on other cases due to their dedication of time and effort to the prosecution of this Litigation. This case was filed over two years ago and has required the devotion of significant time, energy, and resources from Class Counsel over that period.”).

40. **The customary fee:** As shown above, the customary fee is 40%. *See supra* ¶¶ 32–33. Sometimes more is awarded if counsel must go through trial or handle the case on appeal. Sometimes less is awarded if the case is a mega fund case. This Class Lawsuit is neither. This factor supports the fee request.

41. **Whether the fee is fixed or contingent:** This factor is the only one in the disjunctive—fixed “or” contingent. It is important to preserve the parties’ expectations in their representation agreement. In a contingent fee context, a poor result means a poor fee (regardless of how long or hard the attorney worked, or how much skill displayed). A loss means no fee and usually the attorney “eats” the out-of-pocket expenses too. *See Underwood*, No. 21-CV-135-CVE-SH (N.D. Okla. June 15, 2023), Doc. 73 at 8 (“Class Counsel undertook this Litigation on a purely contingent fee basis (with the amount of any fee being subject to Court approval), assuming a substantial risk that the Litigation would yield no recovery and leave

them uncompensated. Courts consistently recognize that the risk of receiving little or no recovery is a major factor in considering an award of attorneys' fees.""). When successful, a contingent fee must significantly exceed an hourly fee to recognize the risk of a substantial financial loss if the plaintiff is unsuccessful. Both types of fee structures are used in different settings, and both are ethical, legal, and reasonable. The fee in this case was a contingent fee case. This factor supports the fee request.

42. **Time limitations imposed by the client or the circumstances:** This was not a factor in this case and should not influence the Court one way or the other.

43. **The amount in controversy and the results obtained:** The Parties had varying damage models, as is customary. The \$4 million Gross Settlement Fund represents a significant amount of the damages calculated by Class Representative's expert and greatly exceeds Burlington's model. The result obtained in a contingent fee case is by far the most important factor in determining the fee to award. *See Hensley v. Eckerhart*, 461 U.S. 424, 436 (1983) (the "critical factor is the degree of success obtained"). Many class actions have settled near or for a lower proportionate recovery of actual damages recovered here and some actions have failed altogether. This factor supports the fee request.

44. **The experience, reputation, and ability of the attorney:** We have extensive experience with both class actions and royalty underpayment and late payment suits, as this Court has previously found. *See supra* ¶¶ 2–3. We believe our experience and skill have served the Class Members well, meriting an award of fees as requested. Moreover, in this case, we faced opposition from experienced counsel from a well-respected law firm regularly hired by large, sophisticated corporate defendants. This factor supports the fee request.

45. **The undesirability of the case:** Very few attorneys have the desire to take the risks involved in class actions. That is even more so in oil-and-gas class actions, where a litigation battle is waged against a sophisticated and well-financed oil-and-gas company. *See Underwood*, No. 21-CV-135-CVE-SH (N.D. Okla. June 15, 2023), Doc. 73 at 8 ("Compared to most civil litigation, this Litigation clearly fits the 'undesirable' test and no other firms or

plaintiffs have asserted these claims against Defendant. Few law firms risk investing the time, trouble, and expenses necessary to prosecute this Litigation for over two years.”). This factor supports the fee request.

46. **The nature and length of the professional relationship with the client:** This factor has little if any relevance here, but still supports the requested award. We worked with Class Representative throughout the Litigation to prosecute these claims and Class Representative zealously represented the Settlement Class. This factor supports the fee request.

47. **Awards in similar cases:** As shown above, the usual fee in the context of oil-and-gas class action litigation like this is 40%. This factor supports the fee request.

48. Overall, the factors, and certainly the most important factors, support a 40% fee.

#### ***Litigation Expenses***

49. The books and records of Bradford & Wilson PLLC reflect the expenses incurred for this case. Based on our oversight of the work in connection with the Litigation and our review of these records, we, Reagan E. Bradford and Ryan K. Wilson, believe them to constitute an accurate record of the expenses actually incurred by our firm in connection with the Litigation, and that all of the expenses were necessary to the successful conclusion of this case. The total expenses paid by Bradford & Wilson PLLC to date are \$147,188.33. These costs include expert and consulting fees (\$125,725.27), escrow agent fees (\$15,000.00), mediation expenses (\$2,261.34), deposition expenses (\$1,861.74), data hosting costs (\$1,588.53), and filing and service fees (\$751.45).

50. The expenses will increase as we prepare for the Final Fairness Hearing, including preparation of a preliminary allocation under the Initial Plan of Allocation and a Final Plan of Allocation and Distribution Order. Also, expenses will increase to the extent that bills for expenses have not yet arrived and been catalogued into the presently available number. At this time, we anticipate that we will incur an additional \$50,000.00 in Litigation Expenses through the conclusion of this Litigation.

***Administration, Notice, and Distribution Costs***

51. The court-appointed Settlement Administrator, JND, has incurred \$24,899.91 in Administration, Notice, and Distribution Costs as of June 30, 2023. *See* Doc. 71-5, Keough Decl. at 5, ¶ 18. Under the Settlement Agreement, these Administration, Notice, and Distribution Costs are to be paid from the Gross Settlement Fund.

52. JND estimates that it will require an additional \$70,100.09 in Administration, Notice, and Distribution Costs to complete the settlement process, for an overall total cost of \$95,000.00 in Administration, Notice, and Distribution Costs. *Id.*

***Case Contribution Award***

53. The Class Representative in this Litigation was indispensable. *See* Doc. 71-3, Class Rep. Decl. Class Representative engaged experienced counsel, significantly assisted with the Litigation, with the negotiation of the settlement, and with the process for completing and seeking approval of the Settlement. Additionally, Class Representative searched and collected documents from her own records. When reason and common sense suggested mediating a resolution, Class Representative assisted in the process to ensure it was fair, reasonable, fully adversarial, and non-collusive. Class Representative has earned a Case Contribution Award, and 1–2% is common in oil-and-gas class actions in Oklahoma. *See, e.g., Underwood*, No. 21-CV-135-CVE-SH (N.D. Okla. June 15, 2023), Doc. 73 at 11 (“Class Representatives seek a total award of 2% of the up-front cash value of the Settlement (\$167,500.00) based on the demonstrated risk and burden as well as compensation for time and effort. The request for an award of 2% is consistent with awards entered in similar cases.”); *Pauper Petroleum, LLC v. Kaiser-Francis Oil Co.*, No. 19-CV-514-JFH-JFJ (N.D. Okla. Dec. 3, 2021), Doc. 62 at 12 (“The Court finds Class Representative’s request for an award of 2% of the cash value of the Settlement to be fair and reasonable and supported by the evidence.”); *Harris v. Chevron U.S.A., Inc., et al.*, No. 19-CV-355-SPS (E.D. Okla. Feb. 27, 2020), Doc. 40 at 17 (The class representative’s “request for an award of two percent is consistent with awards entered by

Oklahoma state and federal courts, as well as federal courts across the country.”); *Hay Creek Royalties, LLC v. Mewbourne Oil Co.*, No. 20-CV-1199-F (W.D. Okla. July 11, 2022), Doc. 38 at 14 (awarding 2% of the up-front cash settlement value).

54. Here, as set forth in the Notice, Class Representative seeks a case of contribution award of \$80,000.00. Having worked with Class Representative throughout the Litigation, we fully support this request and believe the time and effort expended by Class Representative merits a Case Contribution Award of this value.

**DECLARATION OF JENNIFER M. KEOUGH ON BEHALF OF SETTLEMENT  
ADMINISTRATOR, JND LEGAL ADMINISTRATION LLC, REGARDING  
NOTICE MAILING AND ADMINISTRATION OF SETTLEMENT**

---

I, JENNIFER M. KEOUGH, declare and state as follows:

1. I am the Chief Executive Officer and President of JND Legal Administration (“JND”).<sup>1</sup> This Declaration is based on my personal knowledge, as well as information provided to me by experienced JND employees, and if called upon to do so, I could and would testify competently thereto.

2. JND is a legal administration services provider with its headquarters located in Seattle, Washington. JND has extensive experience in all aspects of legal administration and has administered settlements in hundreds of cases. As CEO of JND, I am involved in all facets of our Company’s operation. Among my responsibilities is to monitor the implementation of our notice and claim administration programs. I have more than 20 years of legal experience designing and supervising such programs.

---

<sup>1</sup> Capitalized terms used and otherwise not defined in this Declaration shall have the meanings given to such terms in the Settlement Agreement or Preliminary Approval Order.

3. JND is serving as the Settlement Administrator in the above-captioned litigation (the “Action”) pursuant to the Court’s Preliminary Approval Order dated May 8, 2023.

#### **CLASS MEMBER DATA**

4. On April 25, 2023, JND received a spreadsheet containing a total of 7,308 line items representing the names, mailing addresses, and other identifying information for potential Class Members. On May 9, 2023, JND received a revised version of the spreadsheet to include additional information. JND reviewed the information provided and identified 7,308 Class Member records, of which 298 were determined to be duplicative. JND promptly loaded information for the 7,010 unique potential Class Members into a database established for this administration.

5. Prior to mailing notices, JND certified the mailing data via the Coding Accuracy Support System (“CASS”) in order to ensure the consistency of the contact information in the database and then verified the mailing addresses through the National Change of Address (“NCOA”) database<sup>2</sup>, identifying updated addresses for 381 records. A mailing address could not be located for two (2) potential Class Member records, leaving a total of 7,008 unique potential Class Members with a mailing address (“Initial Class Mailing List”).

#### **NOTICE MAILING**

6. On May 26, 2023, JND caused the Notice of Settlement to be mailed via USPS first-class mail to 7,008 potential Class Members in the Initial Class Mailing List. A representative sample of the mailed Notice of Settlement is attached hereto as **Exhibit A**.

---

<sup>2</sup> The NCOA database is the official United States Postal Service (“USPS”) technology product which makes changes of address information available to mailers to help reduce undeliverable mail pieces before mail enters the mail stream. This product is an effective tool to update address changes when a person has completed a change of address form with the USPS. The address information is maintained on the database for 48 months.

7. In the event any potential Class Member's notice is returned as undeliverable, JND uses all reasonable secondary efforts to deliver the notice to the Class Member. This includes re-mailing any notices returned as undeliverable with a forwarding address and conducting an advanced address search using TransUnion's TLO search, where such a search had not already been conducted, for any notices returned undeliverable without a forwarding address in an attempt to locate an updated address. JND will re-mail the notice to anyone for whom JND is able to obtain an updated address.

8. As of the date of this Declaration, JND has tracked 331 notices that have been returned to JND as undeliverable at the address provided. JND re-mailed a total of three (3) notices to forwarding addresses provided by USPS. For the remaining undeliverable notices, JND conducted advanced address research through TransUnion's TLO service, which located updated addresses for 119 Class Members. JND duly re-mailed the Notice of Settlement to those potential Class members for whom a new address was obtained. As of the date of this Declaration, of the notices that were forwarded or re-mailed in this manner, 23 have been returned as undeliverable.

#### **SUMMARY NOTICE**

9. JND caused the summary Notice of Settlement to be published on May 26, 2023, in *Williston Daily Herald* and *Bismarck Tribune*. Digital copies of the Notice of Settlement as seen in these publications is attached hereto as **Exhibit B**.

#### **SETTLEMENT WEBSITE**

10. On May 25, 2023, JND established a dedicated website ([www.rice-burlington.com](http://www.rice-burlington.com)), which hosts copies of important case documents, including Original Class Action Complaint, the Settlement Agreement, the Preliminary Approval Order, and the Notice of Settlement, and provides answers to frequently asked questions, as well as contact

information for the Settlement Administrator. A copy of the Long Form Notice available on the website is attached hereto as **Exhibit C**.

11. As of the date of this Declaration, the website has tracked 220 unique users with 1,466 pageviews. JND will continue to update and maintain the website throughout the administration process and final approval process.

#### **TOLL-FREE INFORMATION LINE**

12. On May 25, 2023, JND established a case-specific toll-free telephone number (1-844-798-0742) with an interactive voice recording (IVR) that Class Members can use to obtain more information about the Settlement or to speak to an associate if they have any further questions.

13. As of the date of this Declaration, the toll-free number has received 59 calls.

#### **REQUESTS FOR EXCLUSION**

14. The Notices of Settlement direct that Class Members who wish to opt out of the Settlement Class could do so by mailing a valid Request for Exclusion to the Settlement Administrator so that it is received on or before July 20, 2023.

15. As of the date of this Declaration, JND has received one (1) Request for Exclusion. The persons or entities requesting exclusion are identified in the list attached hereto as **Exhibit D**.

#### **OBJECTIONS**

16. The Notices of Settlement direct that Class Members who would like to object to the Settlement may do so by filing an objection with the Court on or before July 20, 2023.

17. As of the date of this Declaration, JND is not aware of any objections.

**SETTLEMENT ADMINISTRATION COSTS**

18. As of June 30, 2023, JND had incurred \$24,899.91 in administration fees and costs. JND estimates the total cost of bringing the administration of the Settlement to completion will not exceed \$95,000.00.

I declare under penalty of perjury that the foregoing is true and correct.

# Police reckoning in limbo three years after Floyd

Global protests at time pointed toward change on horizon

AARON MORRISON AND STEVE KARNOWSKI  
Associated Press

MINNEAPOLIS — The murder of George Floyd at the hands of Minneapolis police, and the protests that erupted around the world in response, looked like the catalyst needed for a nationwide reckoning on racism in policing.

For more than nine minutes, a white officer pressed his knee into the neck of Floyd, a Black man, who gasped, “I can’t breathe,” echoing Eric Garner’s last words as he died in a police chokehold in 2014. Video footage of Floyd’s May 25, 2020, murder was so agonizing to watch, demands for change came from across the country.

In the midst of the deadly COVID-19 pandemic, economic uncertainty and a divisive U.S. presidential election, 2020 ended without the kind of major reforms many hoped, and others feared, would come. Then, 2021 and 2022 also failed to yield much progress.

Now, three years since Floyd’s murder, proponents of federal actions — such as banning chokeholds and no-knock warrants, and changing the so-called qualified immunity protections for law enforcement — still await signs of change.

“When people casually, and I think too frequently, say that there is some sort of racial reckoning that we’re in the midst of, I see no evidence of that,” Democratic U.S. Rep. Ayanna Pressley of Massachusetts said during a recent news conference convened by a Black Lives Matter collective.

The beating death of Tyre Nichols at the hands of Memphis police officers in early January underscored just how long it’s taking to achieve meaningful change.

Pressley said, “we certainly have not seen a response to the lynching, the choking, the brutality, (and) the murder of Black lives.”

People gather along the steps of the Philadelphia Art Museum during a Justice for George Floyd protest May 30, 2020, in Philadelphia.

Soon after Floyd’s murder, Minneapolis adopted a number of changes, including bans on chokeholds and neck restraints, and requirements that police try to stop fellow officers from using improper force. Minnesota lawmakers approved statewide police accountability packages in 2020 and in 2021, as well as tight restrictions on no-knock warrants this month.

The city is still awaiting the results of a federal investigation into whether its police engaged in a “pattern or practice” of unconstitutional or unlawful policing. A similar investigation by the state Department of Human Rights led to what it called a “court-enforceable settlement agreement” in March to revamp policing in the city.

The federal investigation could lead to a similar but separate agreement with the city called a consent decree. Police in several other cities already operate under such oversight for civil rights violations.

There were also immediate cries to defund the police and instead fund public housing, infrastructure and mental health services. A ballot measure on that failed, even in some heavily Black neighborhoods.

Police use chemical irritants and crowd control munitions to disperse protesters Sept. 5, 2020, during a demonstration in Portland, Ore., sparked by the killing of George Floyd.

Gov. Tim Walz declared Thursday “George Floyd Remembrance Day” in Minnesota. Minneapolis activists planned to mark the anniversary with a candlelight vigil Thursday night at George Floyd Square, the corner where Floyd died. A festival at the square Saturday will celebrate change in Minneapolis.

Derek Chauvin, the white officer who killed Floyd, and the three other officers who failed to stop Chauvin at the scene, are all in prison. Chauvin was sentenced in state court to 22½ years for second-degree murder. Two of the three other officers pleaded guilty to aiding and abetting manslaughter and received shorter

terms, while the third officer was convicted of that count and awaits sentencing.

Chauvin also pleaded guilty to a federal civil rights charge, receiving a concurrent sentence of 21 years. The three others also were convicted of violating Floyd’s rights and got much shorter sentences.

Protests against racial violence and police brutality erupted after Floyd’s murder, reigniting the Black Lives Matter movement. Videos circulated on social media of U.S. police using tear gas and less-lethal munitions like rubber bullets, which fueled calls for accountability. That so far largely has come in the form of civil settlements.

New York City found 146 officers committed misconduct at protests, including excessive force and violence including one officer who drove a car into protesters. Independent reviews in Philadelphia, Minneapolis and Los Angeles also found those departments had mis-handled their responses.

In some cities, officers were fired. Some faced criminal charges: In Austin, Texas, a grand jury indicted 19 officers. Few have been convicted.

Minneapolis agreed to millions of dollars in settlements with people who alleged they were victims of excessive police force during unrest that followed Floyd’s killing, but few officers faced disciplinary action.

In 2020, the George Floyd Justice in Policing Act, a piece of federal legislation, showed some signs of promise. It would ban chokeholds and no-knock warrants, like the one that enabled Louisville police to kill Breonna Taylor. It also would create a database listing officers disciplined for gross misconduct, among other measures.

The House passed it but the Senate failed to reach a consensus.

Last year, President Joe Biden signed an executive order that applied key elements of the bill to federal law enforcement. On Thursday, he renewed his call for Congress to act in order to bring “real and lasting change at the state and local levels.”

LEGAL NOTICE

If You Are or Were a Royalty Owner Paid by Burlington Resources for Oil-and-Gas Proceeds from a North Dakota Oil-and-Gas Well, You Could Be a Part of a Proposed Class Action Settlement

The Settlement Class includes:

All non-excluded persons or entities owning mineral interests in North Dakota wells who: (1) received untimely payments from Burlington for royalties in North Dakota wells during the Claim Period; and (2) whose payments did not include the 18% interest required by North Dakota law.

Excluded from the Class are: (1) Burlington, its affiliates, predecessors, and employees, officers, and directors; (2) agencies, departments, or instrumentalities of the United States of America or the State of North Dakota; and (3) any Indian tribe as defined at 30 U.S.C. § 1702(4) or Indian allottee as defined at 30 U.S.C. § 1702(2).

The Claim Period means all periods from and including August 25, 2014, to June 30, 2021, subject to the terms of the Settlement Agreement regarding Released Claims. The Litigation seeks damages for Defendant’s alleged failure to pay statutory interest on allegedly late payments under North Dakota law. Defendant expressly denies all allegations of wrongdoing or liability with respect to the claims and allegations in the Litigation. The Court did not decide which side is right. Defendant or Burlington means Burlington Resources Oil & Gas Company LP.

On May 8, 2023, the Court preliminarily approved a Settlement in which Defendant has agreed to pay Four Million Dollars (\$4,000,000.00) in cash (the “Gross Settlement Fund”). From the Gross Settlement Fund, the Court may deduct Plaintiff’s Attorneys’ Fees and Litigation Expenses, a Case Contribution Award, and any settlement Administration, Notice, and Distribution Costs. The remainder of the fund (the “Net Settlement Fund”) will be distributed to participating Class Members as provided in the Settlement Agreement. Complete information on the benefits of the Settlement, including information on the distribution of the Net Settlement Fund, can be found in the Settlement Agreement posted on the website listed below. In exchange, Class Members will release Defendant and others identified in the Settlement Agreement from the claims described in the Settlement Agreement.

The attorneys and law firms who represent the Class are Reagan E. Bradford and Ryan K. Wilson of Bradford & Wilson PLLC as Co-Lead Class Counsel, and Brady L. Smith of Brady Smith Law, PLLC as Additional Class Counsel. You may hire your own attorney, if you wish. However, you will be responsible for that attorney’s fees and expenses.

approves the proposed Settlement, you or your successors, if eligible, will receive the benefits of the proposed Settlement.

You cannot exclude yourself on the website, by telephone, or by email.

The Court will hold a Final Fairness Hearing on August 25, 2023, at 1:30 p.m. CT at the United States District Court for the Northern District of Oklahoma. At the Hearing, the Court will consider whether the proposed Settlement is fair, reasonable, and adequate. The Court will also consider the application for Plaintiff’s Attorneys’ Fees and Litigation Expenses and other costs, including a Case Contribution Award and Administration, Notice, and Distribution Costs. If comments or objections have been submitted in the manner required, the Court will consider them as well. Please note that the date of the Final Fairness Hearing is subject to change without further notice. **TO OBTAIN THE BENEFITS OF THIS PROPOSED SETTLEMENT, YOU DO NOT HAVE TO DO ANYTHING.**

**I. General Information About the Litigation**

The Litigation seeks damages for Burlington's alleged failure to timely pay royalty proceeds on oil-and-gas production from North Dakota wells operated by Burlington. Burlington expressly denies all allegations of wrongdoing or liability with respect to the claims and allegations in the Litigation. The Court has made no determination with respect to the merits of any of the parties' claims or defenses. A more complete description of the Litigation, its status, and the rulings made in the Litigation are available in the pleadings and other papers maintained by the United States District Court for the Northern District of Oklahoma in the file for the Litigation.

**II. The Settlement, Plaintiff's Attorneys' Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, a Case Contribution Award, And The Settlement Allocation And Distribution To The Settlement Class**

On May 8, 2023, the Court preliminarily approved a Settlement in the Litigation between Plaintiff, on behalf of herself and the Settlement Class, and Defendant. This approval and this Notice are not an expression of opinion by the Court as to the merits of any of the claims or defenses asserted by any of the parties to the Litigation, or of whether the Court will ultimately approve the Settlement Agreement.

In settlement of the Released Claims, Defendant has agreed to pay Four Million Dollars (\$4,000,000.00) in cash ("Gross Settlement Fund"). In exchange for the payment noted above, the Settlement Class shall release the Released Claims (as defined in the Settlement Agreement available for review and download at [www.rice-burlington.com](http://www.rice-burlington.com)) against the Released Parties (as defined in the Settlement Agreement). The \$4,000,000.00 cash payment is referred to as the "Gross Settlement Fund." The Gross Settlement Fund, less Plaintiff's Attorneys' Fees, a Case Contribution Award, and Litigation Expenses and Administration, Notice, and Distribution Costs, and any other costs approved by the Court (the "Net Settlement Fund"), will be distributed to participating Class Members pursuant to the terms of the Settlement Agreement.

Questions? Visit [www.rice-burlington.com](http://www.rice-burlington.com) or call toll-free at 1-844-798-0742

Class Counsel intends to seek an award of Plaintiff's Attorneys' Fees of not more than 40% of the Gross Settlement Fund. Co-Lead Counsel, Reagan E. Bradford and Ryan K. Wilson of Bradford & Wilson PLLC, and Additional Class Counsel Brady L. Smith of Brady Smith Law, PLLC have been litigating this case without any payment whatsoever, advancing thousands of dollars in expenses. At the Final Fairness Hearing, Plaintiff's Counsel will also seek reimbursement of the Litigation Expenses and Administration, Notice, and Distribution Costs incurred in connection with the prosecution of this Litigation and that will be incurred through final distribution of the Settlement, which is estimated to be approximately \$300,000.00. In addition, Plaintiff intends to seek a case contribution award for its representation of the Settlement Class, which amount will not exceed \$80,000.00, to compensate Plaintiff for the time, expense, risk, and burden as serving as Class Representative.

The Court must approve the Allocation Methodology, which describes how the Settlement Administrator will allocate the Net Settlement Fund. The Net Settlement Fund will be distributed by the Settlement Administrator after the Effective Date of the Settlement. The Effective Date requires the exhaustion of any appeals, which may take a year or more after the entry of Judgment. The Settlement may be terminated on several grounds, including if the Court does not approve or materially modifies the terms of the Settlement. If the Settlement is terminated, the Litigation will proceed as if the Settlement had not been reached, as further described in the Settlement Agreement.

This Notice does not and cannot set out all the terms of the Settlement Agreement, which is available for review and download at [www.rice-burlington.com](http://www.rice-burlington.com). This website will eventually include this Notice, the Initial Plan of Allocation, and Plaintiff's Counsel's application for Plaintiff's Attorneys' Fees, a Case Contribution Award, and Litigation Expenses and Administration, Notice, and Distribution Costs. You may also receive information about the progress of the Settlement by visiting the website at [www.rice-burlington.com](http://www.rice-burlington.com), or by contacting the Settlement Administrator at the address set forth above.

### **III. Class Settlement Fairness Hearing**

The Final Fairness Hearing will be held on August 25, 2023, beginning at 1:30 p.m. before the Honorable Gregory K. Frizzell for the Northern District of Oklahoma, 333 West Fourth Street, Tulsa, Oklahoma 74103. Please note that the date of the Final Fairness Hearing is subject to change without further notice. You should check [www.rice-burlington.com](http://www.rice-burlington.com) to confirm no change to the date and time of the hearing has been made. At the Final Fairness Hearing, the Court will consider: (a) whether the Settlement is fair, reasonable, and adequate; (b) any timely and properly raised objections to the Settlement; (c) the Allocation Methodology; (d) the application for Plaintiff's Attorneys' Fees and Litigation Expenses and Administration, Notice, and Distribution Costs; and (e) the application for a Case Contribution Award for the Class Representative.

**A CLASS MEMBER WHO WISHES TO PARTICIPATE IN THE SETTLEMENT AND DOES NOT SUBMIT A VALID REQUEST FOR EXCLUSION DOES NOT NEED TO APPEAR AT THE FINAL FAIRNESS HEARING OR TAKE ANY OTHER ACTION TO PARTICIPATE IN THE SETTLEMENT.**

By taking no action, your interests will be represented by Plaintiff as the Class Representative and Plaintiff's Counsel. As a Class Member, if you are entitled to a distribution pursuant to the Allocation Methodology, you will receive your portion of the Net Settlement Fund and you will be bound by the Settlement Agreement and all orders and judgments entered by the Court regarding the Settlement. If the Settlement is approved, unless you exclude yourself from the Settlement Class, neither you nor any other Releasing Party will be able to start a lawsuit or arbitration, continue a lawsuit or arbitration, or be part of any other lawsuit against any of the Released Parties based on any of the Released Claims.

**DECLARATION OF BARBARA A. LEY**

---

I, Barbara A. Ley, of lawful age, upon personal knowledge, and pursuant to 28 U.S.C. § 1746, declare as follows:

1. I am a Certified Public Accountant licensed to practice in Oklahoma and Texas. I have also earned the credentials of “Certified Information Technology Professional” (CITP) and “Certified in Financial Forensics” (CFF), awarded by the American Institute of Certified Public Accountants. I have over 40 years of public accounting experience and am experienced in petroleum and forensic accounting. I have been employed as an expert witness in numerous cases involving late payment of production proceeds to owners. I am the managing member and President of Ley, Gifford & Farr, PLLC, an Oklahoma City based accounting and consulting firm. The firm, originated in 1989, specializes in oil and gas related matters in addition to other areas of practice. The firm is compensated for my time in this matter at an hourly rate of \$415. My curriculum vitae and testimony rendered within the last four years is attached hereto as Ley Exhibit 1.

**EXHIBIT 6**

2. Class Counsel<sup>1</sup> asked me to assist in allocating and distributing the Net Settlement Fund to Class Members pursuant to the Settlement Agreement.

3. The Settlement Class consists of thousands of persons and/or entities who, during the Claim Period: (1) received untimely payments from Burlington for royalties in North Dakota wells, and (2) whose payments did not include the 18% interest required by North Dakota law. The Claim Period means all periods from and including August 25, 2014, to June 30, 2021.

4. Class Representative alleges that Defendant failed to pay statutory interest on payments made outside the time periods required by North Dakota law for oil and gas production proceeds from oil and gas wells in North Dakota.

5. The Gross Settlement Fund in this case is \$4,000,000.00.

6. The information utilized to allocate the Net Settlement Fund and to prepare Ley Exhibit 2, the Estimated Net Settlement Amount to Class Members, was provided by Defendant and, it is my understanding, contained all of Defendant's available payment data for the entire Claim Period. As noted in paragraph 10 below, the amounts on Ley Exhibit 2 may change once the final fees and expenses awarded by the Court are known, after all excluded parties and opt outs are known, and any other necessary adjustments are made.

7. After the Settlement was reached, I was able to prepare Ley Exhibit 2 and allocate the estimated Net Settlement Fund to individual Class Members proportionately based on the amount of statutory interest owed on the original underlying payment that allegedly occurred outside the time periods required by North Dakota law. The calculations were made with due regard for the production date, the date the underlying payment was made, the amount of the underlying

<sup>1</sup> Capitalized terms not otherwise defined shall have the meaning ascribed to them in the Stipulation and Agreement of Settlement.

payment, the time periods set forth under North Dakota law, and any additional statutory interest that Class Counsel believes has since accrued. In the calculations, I have accounted for the time delay of payment by applying statutory eighteen percent (18%) interest. Subject to court approval, paragraph 6.2 of the Settlement Agreement sets forth a de minimis threshold for distributions of \$5.00 in order to preserve the overall Net Settlement Fund from the costs of claims that are likely to exceed the value of those claims. Accordingly, subject to Court approval, Class Members who received late payments and would otherwise receive a distribution of less than \$5.00 are included on Ley Exhibit 2 and marked as “de minimis” and will not receive a settlement distribution.

8. Utilizing the information and methodology described above, I was able to allocate a calculated proportionate share of the estimated Net Settlement Fund to each Class Member who received an underlying payment outside the time periods required by North Dakota law. Subject to Court approval, I plan to exclude the amounts awarded for Plaintiff’s Attorneys’ Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, and a Case Contribution Award, and include any interest earned while the Settlement Fund is in escrow. The deductions detailed in the Notice fall into the following categories: (1) \$1,600,000.00 to Class Counsel as Plaintiff’s Attorneys’ Fees; (2) \$300,000.00 for reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs; and (3) \$80,000.00 to Class Representative as a Case Contribution Award.<sup>2</sup>

---

<sup>2</sup> The allocation will be adjusted to accommodate the amount of Plaintiff’s Attorneys’ Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, and Case Contribution Award approved by the Court. The estimated Net Settlement Fund does not yet take into account those persons who have or will opt out of the Settlement. Once the necessary information has been received and reviewed, the Initial Plan of Allocation will be adjusted accordingly, prior to the Final Plan of Allocation.

9. The Estimated Net Settlement Amount to Class Members is attached hereto as Ley Exhibit 2 and lists the estimated amounts, based on the currently available information, to be distributed to such Class Members who received late payments, with consideration of the de minimis threshold. Because Ley Exhibit 2 will be publicly filed, and it is my understanding that it will also be made available on the Class litigation website, personal identifying information (such as names and addresses of Class Members) is not included. Instead, Class Members who received a late payment will be listed according to their unique owner numbers and can determine their anticipated estimated distribution from the Initial Plan of Allocation by reviewing Ley Exhibit 2 for their owner numbers (found on their check stubs). Class Members listed on Ley Exhibit 2 are limited to those royalty owners appearing on RICCP00043434 as the Parties identified members of the Settlement Class pursuant to section 1.38 of the Stipulation and Agreement of Settlement. Class Members who have a Net Settlement Amount below the de minimis threshold will, accordingly, not receive an estimated Net Settlement Amount and are indicated on Ley Exhibit 2 with the “Estimated Net Settlement to Class Members” of “de minimis.” It will be a simple matter for me to re-run the allocations once the final fees and expenses have been awarded and after all excluded parties and opt outs are known.

10. Ley Exhibit 2 was constructed using a straightforward and logical Allocation Methodology that is reasonable based on North Dakota’s statutory interest requirements and other factors considered by Class Counsel. For each payment that allegedly occurred outside of the time periods required by North Dakota law and on which the Defendant had not paid interest, I calculated the amount of statutory interest that would have been owed at the time of the original underlying late payment. I then calculated additional interest that has since accrued through January 9, 2023, on that original unpaid statutory interest for each identified late payment. I then allocated

the estimated Net Settlement Fund to each Class Member who received a late payment based on this information and the other factors discussed herein. Pending court approval, pursuant to the de minimis threshold described in the Settlement Agreement, no distributions will be made to Class Members who would otherwise receive a distribution of less than \$5.00.

11. In my opinion, the allocation methodology is fair, adequate, reasonable, and in the best interest of the Settlement Class.

Executed on: July 11, 2023.
